WAR VETERAN TOOK MORPHINE.

Had Quarreled With His Sweet-heart, but Begged Forgiveness.

REPUBLIC SPECIAL.
Mattison, Ill., Nov. 1.—William Eaton, 23 years old, was found dead this morning in a rooming-house in this city. By his side was a vial of morphine. Owing to the suspicious manner of his death, James Leonard of Tower City, Pa., a boon companion, who spent the night with Eaton, was placed in custody, but the coroner's inquest exonerated him. Eaton was a veteran of the Spanish-American War. He quarreled with his sweetheart, Miss Myrtle Martin, and before swallowing the poison wrote a note to her, asking for forgiveness, which he tore to pieces, the fragments being found under the bed by the police.

INCORRECT AND MISLEADING.

Secretary Hoblitzelle Didn't Make Statements Attributed to Him in the Globe-Democrat.

ALL APPEALS WILL BE HEARD.

He Was Quoted as Saying That Election Board Wouldn't Entertain Appeals From Persons Stricken From Registration.

"The article is characteristic of the Globe-Democrat's persistent misstatements of facts," said Secretary Hoblitzelle of the Board of Election Commissioners when questioned about a statement in yesterday's Globe-Democrat to the effect that the board would refuse to hear appeals "from persons whose names have been stricken from the registry."

"I cannot account for the story," Mr. Hoblitzelle continued. "I positively did not say what I am quoted as saying. I presume I must have been misunderstood, because I do not wish to think the paper would intentionally misquote me in such a manner."

"After 11 o'clock Wednesday night I was called out of bed to answer the telephone. I had been asleep, but was wide awake when I reached the 'phone. I understood that I was talking to the city editor of the Globe-Democrat. He asked several questions regarding the sitting of the Board of Appeals, and I tried to answer them in the best manner I could."

"From what I see in the paper it is evident that I did not understand the man at the other end of the wire, or that he didn't understand me. I positively did not say that the board would refuse to hear appeals of any kind, and how my remarks could have been twisted to convey that meaning is beyond my comprehension."

"The law states in emphatic terms that the board shall hear appeals where names have been stricken from the rolls for any reason. We'd be a pretty set of fellows to act up here and make laws for ourselves, as the Globe says we are doing, wouldn't we?"

"But the best way to show that the whole story is an unadorned and unqualified misstatement is to prove it in black and white."

Here Mr. Hoblitzelle turned to a file on his desk and showed several hundred registration appeals. He pointed out the names of those who had been stricken from the rolls for various reasons. He said that the board would hear all such appeals.

Asked if he could tell why the Globe-Democrat chose to call him out of bed after 11 o'clock to answer questions, Mr. Hoblitzelle said:

"I cannot. They have a reporter here in the city hall every day in the week. My office is always open to him and he comes in frequently. We are good friends personally. If not politically. He has frequently failed to publish facts that he got from me, but has never misquoted me."

"I reckon the most charitable thing is to blame the telephone, but I want to say that the article in the Globe-Democrat of Thursday is unqualifiedly a misstatement."

FINAL CHANCE TO REGISTER.

Board of Election Commissioners Held Special Appeal Sessions.

President James McCallister, L. D. Kingland and George J. Kobach of the Board of Election Commissioners yesterday afternoon held special appeal sessions for the registration of voters. The board will meet for the same purpose to-day and to-morrow in the main floor of the new city hall.

The board will be in session from 9 a. m. until 5 p. m.

This is the last opportunity for enrollment. Those who have failed to register for any good reason are entitled to appeal to the board to-day or to-morrow to be qualified as voters. The election law provides that appeals to the board may be made by persons who were refused the right to register in the precincts, who were refused the right to register because of absence from the city, sickness or forgetfulness, or for any other good reason.

The special session is not designed for promiscuous registration, as that is supposed to have been done in the precincts in the morning. It is for the purpose of cases worthy of appeal, or the official attention of the board. As the time is limited, the board will accept appeals with all possible dispatch. Commercial travelers and others who have been away from the city, or who have been unable to apply for registration, are especially entitled to consideration.

Secretary Hoblitzelle stated last night that about 500 names were entered yesterday in the books. He thinks the enrollment will be about 1,000. The total registration up to 1901 within 100 of the advance estimate made by the Republic.

PROBABLY FATALLY HURT.

W. H. Campbell Was Run Down by Suburban Car.

W. H. Campbell of No. 405 Ridge avenue was run down by a Suburban car at the corner of Ridge and Locust streets yesterday morning. He was thrown from the car and landed on the ground. The car was stopped by the police. Campbell was carried to a neighborhood drug store, where he was administered first aid, and he was sent to St. Luke's hospital. The family physician, Dr. Bruce, found that he was suffering from a fracture of the skull and internal injuries. Both his hands were badly crushed. He is 38 years old.

The Same Everywhere.

The following item clipped from The Citizen, Topeka, Kansas, shows that the article mentioned in yesterday's Globe-Democrat of that far-off country is at home. It is an excellent medicine. I have suffered from a severe cough for the last two months, and it has effected a cure. I have great pleasure in recommending it—W. C. Woeckner. This is the opinion of one of our oldest and most respected residents, and has been voluntarily given in good faith. Others may try the remedy and be benefited, as was Mr. Woeckner.—Adv.

INAUGURATED THE FORWARD MOVEMENT

Epworth Leaguers Met in Lindell Avenue M. E. Church to Discuss Plans for Winning Souls.

The Methodist Episcopal Forward Movement, which has for its object the winning of 2,000,000 souls to Christ between now and December, 1901, was formally launched in St. Louis yesterday afternoon and evening meetings of Epworth Leaguers and others in the Lindell Avenue M. E. Church. W. G. Day, president of the Epworth League Union, presided at both meetings, and a number of addresses were made.

The attendance in the afternoon was not large, but in the evening it was most impressive. The program for the afternoon included an address by Doctor A. M. Billingsley, pastor of the Maple Avenue M. E. Church, on "The Scriptural Basis for the Forward Movement." The doctor took the position that the movement was in perfect accord with the word of God and that it involved loyalty to the word of God and dependence upon the Holy Spirit.

Professor C. E. Witter, principal of Mercantile School, spoke of "The Relation of the Forward Movement to the History of the Methodist Church." Mrs. J. C. Gray read a paper on "What Part Can the Churchmen of the Spiritual Warfare Department Take in Helping the Forward Movement?" The closing address of the evening session was delivered by George W. Smith on "What Can the Individual Epworthian Do for the Forward Movement?" Each of the above addresses was followed by a ten-minute discussion, and remarks were made by Doctor Daniel Dorchester, Mr. Day, Doctor S. B. Warner, the Reverend Harry White and others.

Between the afternoon and evening sessions there was a devotional hour conducted by the Reverend W. E. Brown, pastor of the Tower Grove M. E. Church, the Reverend Harry White, pastor of St. Luke's M. E. Church, leading the singing. The evening program was opened with an organ voluntery by James F. Quarles and prayer by Doctor S. B. Warner. The Lindell Avenue Church also rendered two numbers.

The address was delivered by Willis W. Cooper of Chicago, who is corresponding secretary of the Forward Movement. At the close of the program, three prominent laymen from each Methodist Episcopal church in the city were taken looking to more definite organization for carrying out the purpose of the movement. The plan contemplated a special individual revival movement in all the churches of the city. Mr. Cooper returned to Chicago last night.

Republicans Had a Small Crowd.

Twelve Rough Rider uniforms were noticed in the procession. The Democratic rally at Barling, six miles from here, attracted a crowd which numbered several thousands. D. A. Ball and J. L. Lloyd made speeches. Two large Democratic poles were raised as features of the occasion.

NEWS FAKER ARRESTED.

Martin Bowes, Author of False News Stories Held for Vagrancy.

REPUBLIC SPECIAL.
Hot Springs, Ark., Nov. 1.—Martin Bowes, a newspaper writer here, was arrested this afternoon on a charge of vagrancy, and in default of bond was sent to jail. The real cause of Bowes' arrest was the sending of untrue and harmful dispatches from this city to metropolitan newspapers. There being no law covering his case, he was arrested on the above charge, upon which it is believed a conviction can be secured. The report sent out, to which his arrest is attributable was that there has been a clash here between the city and Government authorities over the dredging of the Government lakes here for sanitary purposes, although the report was also false.
